CraigOwl Communities

- who we are and what we do

CraigOwl Communities is a company limited by guarantee with charitable status established since 2002. Our objectives are to address disadvantage and help people to achieve their potential.

Community based activities:

- Learning centres around Dundee where anyone can learn IT skills and get help with reading, spelling and number problems – as well as gaining confidence and meeting people
- Qualified Staff to listen to people with issues and help them to contact other specialist agencies who can offer support
- Opportunities for occupational skills and work experience placements in specific sectors and help for participants to get into jobs where they can build their career.

Services for People and Businesses

- Learndirect centres where people can use their Individual Learning Account (ILA) and achieve ECDL, Food Hygiene Certification and other work related qualifications.
- Value for money services –ICT Support, PAT Testing and related services, developing enterprises in catering and gardening.
